EHV EXTRA HIGH VOLTAGE ELECTROMECHANICAL CONTRACTING LLC
HSE ALERT # 101 Dubai / Abu Dhabi
Title: Fog Weather - Stay Safe and Informed!

We've entered the winter season!
As we enter the winter season, a forecast predicts heavy fog in the upcoming days. Please take note of the following information for your safety and the safety of others.
This weather phenomenon can significantly affect visibility and pose potential challenges to both personal safety and operational activities.

Visual Aids:

Expected Impact:

- Increased risk of accidents and injuries due to reduced visibility on site.
- Heavy fog can significantly reduce visibility, creating challenging driving conditions.
- The increased risk of accidents and collisions requires heightened awareness and precautionary measures.
- Operational Disruption: Outdoor activities may be significantly impacted, leading to potential project delays.

Precautionary Measures:

- Ensure that all workers wear high-visibility clothing with reflective materials.
- Implement speed restrictions for vehicles during reduced visibility conditions as advised by authorities such as the RTA, Dubai Police, and Abu Dhabi Police.
- Ensure that vehicles are in optimal condition, especially headlights, brakes, and tires.
- Use headlights and fog lights when driving in low visibility conditions.
- Minimize Distraction & Maintain a safe following distance.
- Plan travel routes in advance, considering known high-fog areas and alternative routes with better visibility.
