## ORDER PROCESSING STAFF

**Salary: 3100 AED**

### Job Requirements:

- Candidates must hold a bachelor's degree with a minimum of 3 to 5 years of experience in an FMCG production environment.
- Equivalent experience in areas related to accounting, handling suppliers, inbound customer sales service, and order processing is essential.
- Solid understanding of order processing, shipping and logistics, warehouse management, inventory management, procurement and planning, and accounting.
- Intermediate MS Office skills (Excel, Word, Outlook, and PowerPoint) are required. Experience with ERP software is preferred (knowledge in Navision is an advantage).
- Excellent data entry skills, strong verbal and written communication skills, attention to detail, and a high level of accuracy are essential.
